drop off location. The owner, Carol Fellbaum, offered to donate food as well." Great job girls!

GULF COAST VETERINARY SPECIALIST AWARDS

Dr. Brian Beale, an orthopedic surgeon, along with his technician, Kate Lawrence, and physical therapist, Nancy Doyle, were recognized by The Department of Public Safety during National Police Week for their care and contribution in getting one of Houston Metro's award-winning K-9's back on duty. Viggo, an explosives and patrol K-9, underwent staged repair of both of his torn cranial cruciate ligaments (CCL's) with Dr. Brian Beale earlier this year. Since his successful surgeries, he has recovered like the champion he is with the help of Nancy Doyle and Gulf Coast Animal Rehabilitation and Fitness. **Congratulations to Dr. Beale, Nancy Doyle and Kate Lawrence**

as they are recognized by Houston's finest!

ARBORETUM WELCOMES PETS JUNE 5

Pups and pooches celebrate National Trails Day® with "Tails on the Trails" event at **Houston Arboretum & Nature Center on June 5**. The event is sponsored by the fabulous 002 magazine from 2pm to 5pm. For details, visit www.houstonarboretum.org.

CHARITY CHICKS RAISE MONEY FOR TEXAS HEARING & SERVICE DOGS

On Saturday, April 17th the chicks and peeps of **Charity Chicks Houston** gathered together with their beloved four-legged friends at The Lot on Washington to raise money and awareness for a great non-profit based out of Austin, **Texas Hearing and Service Dogs**. In just a couple

hours and over a few beers, the group raised over \$700 for THSD. Photographer Kasey Marsh of Monkey Tree Photography was on hand snapping jazzy photos of the mutts, both big and small. For more information about Charity Chicks events, visit charitychickshouston.com or follow them on twitter @charitychicks.
